

MEDFORD TOWNSHIP PUBLIC SCHOOLS
Medford, New Jersey

October 27, 2009

Dear Parent(s)/Guardian(s):

As you are aware, we have been working with the Burlington County Health Department in planning In-School Vaccination Clinics for the H1N1 Vaccine. Student participation in the vaccine initiative is **VOLUNTARY**. We have tentatively established our clinic dates as November 16th and 17th in the Medford Township Public Schools, provided that the County obtains a sufficient supply of vaccine for the district. The schedule for our schools is as follows:

November 16, 2009 **Memorial, Haines, Kirby's Mill**

November 17, 2009 **Allen, Taunton Forge, Chairville, Cranberry Pines**

Children ages 9 and under will require a second dose of the vaccine. Our follow up dates for the district will be **December 7, 2009 and December 8, 2009**. As we get closer to the clinic dates additional information will be forthcoming as well as consent forms.

As always, if you should have any questions regarding the above, please contact your building principal or me at your earliest convenience.

Sincerely,

Joseph J. Del Rossi, Ed.D.
Superintendent of Schools
